Crib at the dome

This year the dome is hosting the wonderful crib created by Franco Romano from the Associazione Italiana Amici del Presepio dedicated to the star-shaped city Palmanova. The nativity scene is located at one of the lunettes at the bastions. Among the other buildings in miniature, you can see a loggia, a casemate, then the main square of Palmanova with its buildings.

The Nativity scene and most of the characters are made of "scus" (i.e. the dried leaves of the corn cob) The crib and its tricks of light and animations can be seen on the following times:

Until January, 6th:

daily opening 9.30 am - 12.30 pm / 3.30 pm - 6.30 pm ( visits interrupted during masses)

From January, 7th until February, 2st:

Saturdays 9.30 am - 12.30 pm / 3.30 pm - 6.30 pm

Sundays 9.30 am - 12.30 pm / 3.30 pm - 6.30 pm

Mondays 9:30 am - 12:00 pm

(visits interrupted during masses )

Organized by: Franco Romano - Associazione Italiana Amici del Presepio
